

TRANSFER PRICING ASSOCIATES RANKED AS TIER ONE FIRM IN INTERNATIONAL TAX REVIEW 2009 TAX PLANNING SURVEY

Amsterdam, June 2009 - Transfer Pricing Associates, the leading independent provider of global transfer pricing and valuation services, is proud to announce that the firm has been ranked as a Tier One firm in the 2009 Tax Planning Survey published by the International Tax Review, in respect of the following countries: China, Australia, Singapore and the Netherlands.

The International Tax Review comments that "*Transfer Pricing Associates, as an example of a niche consultancy, competes strongly in many countries*".

The 2009 Tax Planning Survey is organised by the International Tax Review, one of the world's most authoritative magazines dedicated to international taxation and transfer pricing since 1990. The survey was carried out in January 2009, with readers of the International Tax Review (including tax executives from multinational companies, tax officials and advisers) voting in an online poll for their top three tax planning firms in each jurisdiction. Three points were added for the firm they considered to be the best, two points were awarded for second best, and one point for third best. These votes were tallied in order to provide the survey results.

The nomination of Transfer Pricing Associates as a Tier One firm in China, Australia, Singapore and the Netherlands after this independent approach is an endorsement of the outstanding professional skills and global vision of the firm as a whole as well as recognition of Transfer Pricing Associates' integrated and efficient approach to global transfer pricing services.
