

Transfer Pricing Associates launches a new series of Web Events and Web Meetings

Zürich, February 2010 -

Transfer Pricing Associates, the leading independent provider of global transfer pricing, tax valuation and customs services, is proud to announce the launch of a new series of web events and web meetings. This new series will benefit from Transfer Pricing Associates' expanded network coverage across six continents and will include discussions of international tax trends. In addition, Transfer Pricing Associates can provide a demonstration of its new documentation software tool, Vantage, which is expected to be launched at the end of this year. All web-events and web-meetings are free of charge and will be held in English, although a selected number of topics will now also be offered in other languages.

We look forward to meeting you for a web meeting or web event very soon.

Web Meetings

Web meetings are offered for individual companies and consultancy firms. Register your entire in-house tax team to meet the global Transfer Pricing Associates team over the web, allowing you to discuss various transfer pricing, valuation and customs duties issues in-depth and in a confidential setting.

You are able to choose from a variety of topics from our menu ("à-la-carte"). Presentations can be tailored to your particular issues and questions, with a heavy focus on practical solutions and insights, so that participants are able to derive the maximum value from these meetings. Web meetings will always be held on Wednesdays and would last a maximum of 2 hours. You may select a time slot that suits you and your team best. Web Events

Transfer Pricing Associates' web events have the features of a normal seminar, held over the web. Taking part in these web events offers you and your tax team the opportunity to keep abreast of the latest developments in transfer pricing, valuation and customs issues free of charge. Our global experts will be on hand to discuss current issues on specific topics for which you can register directly online.

Web events are usually held on Tuesdays and would run for 1 - 1.5 hours. To view our Winter Program and to register for our web events, visit our link at
