

The graphic features the text 'TPA Global Profile' in white. 'TPA' is in a large, bold, sans-serif font, while 'Global' is in a smaller, regular sans-serif font. 'Profile' is positioned below 'Global' in a smaller, regular sans-serif font. To the left of the text is a stylized logo consisting of three overlapping, curved shapes in shades of blue and white, resembling a mountain range or a stylized 'A'. The background is a dark blue gradient with faint, larger-scale versions of the logo's curves.

TPA Global

Profile

Who We Are

Global Network

Our global network covers over 5,000 professionals who enable us to deliver scalable solutions in the area of tax & legal, digital transformation, running a compliance factory and effectively dealing with dispute resolution.

Our Focus

Our focus is on challenges corporates are faced with on the cross-roads between finance, tax and IT.

TPA Global deals with global and complex cases through its diversity of professionals.

We deliver a world of tax in control

What we do at TPA Global

Bridge the Gap

Helping businesses bring together tax professionals and C-level boards.

Transformation

Acting as a transformation coach, TPA Global has the ambition to help others to transform their business into the next generation of tax.

Digital that works

By delivering digital that works, we transform the world of tax and establish for our clients a sustainable standard of tax.

Analytics

By embracing the new world of 'tax data analytics', your tax risk management withstands any scrutiny from stakeholders.

Linking ecosystems

TPA Global links three ecosystems: Tax, Transfer Pricing and Valuation, Tax + Technology and Tax Litigation and Mediation – to deliver a world of tax in control.

Why TPA Global

- ✓ **Full synchronization** of Finance, Tax and IT challenges
- ✓ **Next generation** compliance factories empowered by our network
- ✓ **Be 100% compliant** for all Finance and Tax matters
- ✓ **De-risk** your tax-line in a sustainable manner
- ✓ **Stay 100% up-to-date** with all your workflows while meeting all Tax authorities requirements
- ✓ **Drive lower costs** of ownership through process automation
